Typical interviews will be organized for the selected SINICHEM candidates the February 13th and 14th.

Category A: doctoral candidates from all countries other than the 27 EU member states, Croatia (whose accession in the EU is in progress and it is expected to take place on 1st July 2013), the EEA-EFTA states (Iceland, Norway, Lichtenstein), and who are not resident nor have carried out her/his main activity (studies, work, etc.) for more than a total of 12 months over the last five years in these countries. The only exception to this rule applies to Third Country doctoral candidates who have previously received an Erasmus Mundus masters scholarship in order to follow an EMMC;

Category B fellowships can be awarded to any doctoral candidate selected by EMJD consortium and who do not fulfill the Category A criteria defined above. Category B fellowship holders must perform their training/research periods in at least two different Countries represented in the Consortium; these two Countries must be different from the Country in which the doctoral candidate has obtained his/her last university degree.
